6-17 JANUARY

---

## WELCOME

On behalf of the Board and management of Magic Millions, we sincerely welcome you to the 2017 Jeep Magic Millions Carnival, Sales and Raceday.

As the number one thoroughbred auction house in Australasia by both gross sales and stakes winners, we are immensely proud of our achievements over the past year in working alongside breeders, owners, trainers and enthusiasts to grow this wonderful industry.

In 2017 we strive for continued real success following a growth of nearly \$34 million (24%) in overall yearling sales in 2016.

The Magic Millions Gold Coast Yearling Sale has unquestionably become a must-attend event for thoroughbred investors at every level.

Having well exceeded \$100 million in gross sales for the last two successive years, in 2016 the average price for a yearling from Book 1 rose to \$195,618 (up 16%) at a clearance rate of 90%. Whilst Book 2's average purchase price increased 13% to \$61,977.

In an industry that has its foundations built on dreams, the Gold Coast Yearling Sale has provided the last two winners

of the world's richest race for 2YOs – the Group One Golden Slipper. Two outstanding colts in Vancouver (2015), now standing at Coolmore Australia and Capitalist (2016), who became the third horse to win the Jeep Magic Millions 2YO Classic-Golden Slipper double, were both sourced from our showcase sale.

After Capitalist's victory, there is a resultant statistic which cannot be matched nor overlooked. Ten of the last 13 Golden Slipper winners to have been offered for sale as yearlings were sold by Magic Millions on the Gold Coast.

With the thoroughbred steeped in Australia's history and our very culture, it is with great pride that Magic Millions can call itself the sales source of a real champion – Winx. Purchased for \$230,000 from our Gold Coast sale ring in 2013, the superlatives to describe the dual Cox Plate and nine-time Group One winner are endless as they are inept to adequately describe her greatness. Crowned Australia's Champion Horse of the Year, Winx is also the current

highest rated mare in the world and some believe will become the highest rated horse when the rankings are next released.

Winx was one of Magic Millions' 104 individual stakes winners of 154 stakes races in Australia for the 2015-16 racing season.

Whilst the thoroughbred horse and auction sales are the cornerstone of our business, the Jeep Magic Millions Carnival, Sales and Raceday is about much more. This January, we invite you to be part of the fun experience that is ten days of exciting events, sales and racing action against a backdrop that is the uniquely beautiful Gold Coast. We guarantee you will not find a more exquisite location to work and holiday with colleagues and family.

In 2017 we are delighted to introduce a new event to our Carnival – the Pacific Fair Magic Millions Polo, to be held at The Spit, Main Beach, on Sunday 8 January.

Featuring the Patron of Magic Millions Racing Women, Zara Phillips MBE, international racing expert Francesca Cumani, as well as leading international polo players from Australia, America and Argentina, the new event will complement the Carnival and provide a further vehicle for equine enthusiasts to participate and be entertained on the Gold Coast.

Next January will also see the second running of the \$10 million Jeep Magic Millions Raceday at the Gold Coast Turf Club. We hope you can join us for an exciting day of high glamour and elite racing as evidenced by the Group One performed horses Capitalist, Buffering, Lucky Hussler and Mahuta winning races

on the inaugural \$10 million card.

We gratefully acknowledge the support of our principal partners Tourism and Events Queensland, Racing Queensland and Jeep. Magic Millions could not deliver and grow this Carnival without the ongoing and valued support of these principal partners.

Magic Millions also sincerely acknowledges the support of major partners Woodford Reserve, Pacific Fair, Moet & Chandon, Seven West Media, Myer, Sky Racing and James Boag's.

On behalf of the Magic Millions team and our valued breeders, we request the pleasure of your company at the 2017 Jeep Magic Millions Carnival, Sales and Raceday.

As we present to you the 2017 edition of the Gold Coast Yearling Sale, we look forward to sharing and assisting with your real dreams as we begin the search for the next real champion of the turf. Now that does sound like real fun!

See you all on the Gold Coast for more magic.

*Gerry Harvey, Katie Page-Harvey & Vin Cox*

# POLO 101

One of the world's oldest games is also one of its fastest – a moving polo ball can travel up to 180km per hour – and one of the world's most dangerous sports played today. The game is gaining increasing popularity as a premier spectator sport and can be an easy game for the first-time spectator to enjoy.

For those attending their first polo match on January 8 or interested in sharpening your knowledge Magic Millions Spokesperson, Rob Archibald has provided a 101 insider's guide to Polo.

## History:

- One of the world's oldest games, polo dates back over 2000 years, first originating in India before migrating to England in the 1860s.
- Today, more than 50 countries play polo with the sport gaining increasing popularity as a premier spectator sport and can be an easy game for the first-time spectator to enjoy.
- The dominant nations are Argentina, the USA and Britain, each with a thriving polo scene and industry. Other polo growth hotspots include China, Dubai, Switzerland, Singapore, New Zealand, South Africa, the Caribbean, Chile, Spain and, of course, Australia.
- The first known polo game in Australia was played at Moore Park, Sydney in 1874.

## Basic Rules:

- Generally there are two teams made of four players. Magic Millions will be showcasing two games with three players per team which will allow for a slightly more fast-paced game to be played, 'similar to the 20/20 cricket'.
- Team members are designated as "attack" or "defence" and each has the job of furthering their own goal tally while

preventing the other side from scoring. The players should mark their opposite number; for example No. 4 should mark the No. 1, preventing that player from scoring by hooking and riding off.

- A game is usually six periods (chukkas) of play. One chukka is seven minutes long with the clock being stopped every time there is any interruption. The breaks between each chukka are three minutes long.
- Play starts with the umpire throw-in, where the ball is rolled between the teams.
- The line of the ball and the right-of-way make up the fundamentals of the game. The line of the ball is the imaginary path the travelling ball is expected to take, which cannot be crossed by the opponent. A player who is going straight after a ball they have hit, or the first player to swing into the line of a rolling or flying ball, without hampering the others, may not be intercepted by any other player as this could harm the player or the pony.
- Any time a ball crosses the line between the goal posts, it is considered a goal regardless of whether a horse or a mallet causes the ball to go through.
- The most important rule in polo is always the safety of the horse and also the players!

### Handicaps:

- Each player is individually ranked on a handicap scale that ranges from -2 (beginners) to +10. There are only a handful of players worldwide with a 10-goal handicap. The team handicap is the sum total rating of its players, and in handicap matches the team with the higher handicap gives the difference in ratings to the other team.

### Scoring:

- Players score by driving the ball into the opposing team's goal. Each goal is worth one point.

### Polo Ponies:

- Polo ponies are usually full-size horses, ranging in size from 14.2 to 15.3 hands high and weigh between 400 - 500kgs. Thoroughbreds are regarded as the best polo ponies because of their speed, stamina, ability to accelerate, stop and turn quickly, and whose temperament is amenable to the rigors of the game. Ponies play for a maximum of two non-consecutive chukkas per match.

### Fouls:

- The umpires generally call fouls for dangerous riding or use of the mallet. Penalty for a foul can be anything from a free hit to a free goal for the opposing team.

### The Field & Equipment:

- A polo field is 275metres long by 180metres wide, although if it is boarded it need only be 150metres wide
- The goal posts are 7.3metres apart, 3metres in height open at the top and collapsible on impact.
- A polo player must have a helmet, knee guards and a polo stick (mallet). The mallet is pliable and hits of up to 150 metres are not uncommon.
- The ball, once made of bamboo (9cm diameter), is now made of plastic and although only 130 grams is remarkably hard if it hits a player.

### Techniques:

- A player may use their mallet to block or interfere with an opponent's swing by hooking the other player's mallet. This is only allowed when a player is on the side where the swing is occurring or directly in front of or behind their opponent.
- A bump, or ride-off, is used to break an opponent's concentration, move them off the line of the ball or ruin their shot. When one player rides their pony alongside and physically connects with their opponent to lead them away from the ball, it is called a ride-off. A ride-off is permissible only at a 30-degree angle and at the horse's shoulder.

## MAGIC MILLIONS RACING WOMEN'S BONUS

In 2012 Magic Millions proudly introduced a world first for women. Now in its fifth year, the ground-breaking Magic Millions Racing Women initiative is not only promoting racehorse ownership amongst females – it is increasing it.

Established by Magic Millions owners Katie Page-Harvey and Gerry Harvey, the Racing Women's Bonus of \$500,000 which is on offer to the first four all-female owned or leased horses in finishing order in the Jeep Magic Millions 2YO Classic, is in addition to race prizemoney of \$2,000,000.

A key aim of the initiative is to highlight and promote the important roles played by women in the thoroughbred racing and breeding industry.

Over five years, the Racing Women concept has generated a total of 602 registrations for two-year-old thoroughbred racehorses wholly owned or leased by women (over 100 each year) with the ambition to race for the \$500,000 Magic Millions Racing Women's Bonus.

This year the initiative which counts Zara Phillips MBE as its Patron, has achieved the highest number of registrations (165, up 31%) of horses targeting the Bonus,

including two-year-olds trained by 77 individual trainers across six states or territories of Australia. 57% of Racing Women registered horses contain first time owners.

For entrants into the \$2,000,000 Jeep Magic Millions 2YO Classic in 2017, a \$500,000 bonus will be distributed to the connections of the first four 'all female owned or leased horses' past the post.

### BONUS DISTRIBUTION

---

- 1st – \$325,000 (65%)
  - 2nd – \$100,000 (20%)
  - 3rd – \$50,000 (10%)
  - 4th – \$25,000 (5%)
- 

The horse must be an eligible Magic Millions Yearling Sale graduate and nominated for the Magic Millions Race Series as the Bonus forms part of the Magic Millions Race Series for 2016 Yearling Sale graduates.

**The horse must be 100% owned or leased by female connections to be eligible for the Bonus, as well as a separate free Bonus Registration being completed and submitted to Magic Millions within the requested deadline.**

Payment of the \$500,000 is guaranteed. Should less than four Bonus eligible horses make the starting field, the portion of the Bonus not won will be distributed proportionately amongst the eligible horses who complete the race.

For more information and enquiries in relation to the Magic Millions Racing Women's Bonus please contact Cassandra Simmonds on 07 5504 1220 or email [raceries@magicmillions.com.au](mailto:raceries@magicmillions.com.au)
