## Gold Coast March catalogue a boom for buyers

The auction that gives buyers more incentives than any other, the 2018 Magic Millions Gold Coast March Yearling Sale, is set to deliver more racetrack stars of the future.

The sale source of star sprinters Buffering, Spirit of Boom and Winning Rupert and recent \$1 million Magic Millions QTIS winner I'm a Ripper, this year will see 389 select lots go under the hammer across two days, March 19 and 20.

Buyers will be spoilt for choice with the most represented sire in the catalogue being Eureka Stud's local Darling Downs-based first season sire sensation Spirit of Boom.

No freshman sire in recent history has made such an incredible and immediate impact on the tracks and, with Black-Type winners including Ef Troop, Outback Barbie, Jonker and Kinky Boom the future for Spirit of Boom looks extremely exciting.

At the Gold Coast Yearling Sale in January the Spirit of Boom yearlings sold to \$500,000 and, with 44 lots by the son of Sequalo at the 2018 Gold Coast March

Yearling Sale there will be much excitement among vendors and buyers.

Buyers at the 2018 Gold Coast March Yearling Sale will have the added incentive of a 33 per cent discount on the Magic Millions Race Series nomination fee to make their purchase eligible for the \$11 million plus a suite of graduate races held over six states of Australia.

Only QTIS and MM Race Series paid up runners from a Magic Millions Yearling Sale are eligible to contest the \$1 million Magic Millions QTIS Open at the Gold Coast on the \$10 million MM Raceday each January.

All lots offered have been subject to the first payment for QTIS, and buyers will have the opportunity to scoop \$64,700 (colts and geldings) and \$76,950 (fillies) every Saturday for a metropolitan two- and three-year-old win for fully paid QTIS youngsters. Some 76 lots are BOBS eligible in a further boost for buyers.

Seventy sires are represented in the catalogue headlined by the aforementioned first season sire sensation, Spirit of

Boom, with 44 lots. Others that are well represented include Better Than Ready (39 lots), Love Conquers All (30), Rothesay (27), Real Saga (23) and Bel Esprit (19).

There's 10 first season sires with progeny catalogued including the Queensland-based stallions Better Than Ready (Lyndhurst Stud Farm), Hvasstan (Clear Mountain Fairview) and Whittington (Grandview Stud).

As well as Spirit of Boom, Winning Rupert and I'm a Ripper, previous Gold Coast March Yearling Sale graduates include Group One winners Tinto and Miss Cover Girl and \$500,000 plus earners Madotti, Feltre, Upstart Pride, Jumbo Prince and In His Stride.

Another cracking advertisement for the sale is Tony McMahon's Rockhampton rocket, Paradis Imperial, the \$9000 Gold Coast March purchase who has already earned in excess of \$340,000.

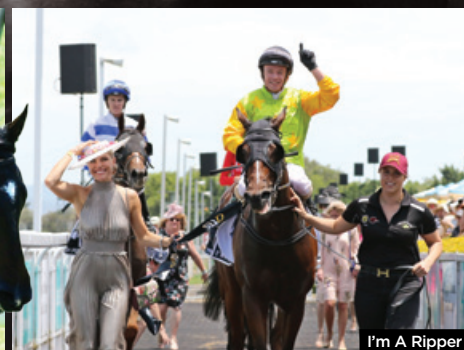

The 2018 Magic Millions Gold Coast March Yearling Sale catalogue can be accessed on the Magic Millions website or downloaded via the EquineLine Catalog App for iPad. **□**

## Aquis Farm, Wonglepong, Qld

Progressive Australian racing and breeding powerhouse Aquis and prominent international thoroughbred investor Phoenix Thoroughbreds have joined forces in securing for stud duties Snitzel's Champion two-year-old son Invader.

The Group One Sires' Produce Stakes winner certainly boasts credentials unmatched by any other son of Australia's multiple Champion sire and two-year-old sire - Snitzel. Last season's Champion two-year-old colt, Invader is not only one of Snitzel's three juvenile Group One winners to date, he is also the only two-year-old by Snitzel to have won a Group One race at a sprint distance.

And he is, for good measure, also Snitzel's highest Timeform-rated two-year-old ever, rated 119 at two, superior to Group One speedsters like Snitzerland (118), Sizzling (118), Summer Passage (117) and Hot Snitzel (116).

"We feel both proud and privileged to have secured such an exciting young son of Snitzel," Aquis CEO Shane McGrath said.

"Snitzel is the best and most commercial champion sire currently at stud in Australasia and Invader is his best and fastest two-year-old son.

"Invader easily beat Group One horses and stand-out two-year-olds like Trapeze Artist, The Mission, Summer Passage, Tulip, Frolic and Menari.

"He is out of stakes-winner Flame of

Sydney, a very fast and precocious two-year-old herself by Champion broodmare sire Encosta de Lago. And he is a half-brother to locally and internationally-successful Group One sprinter Not Listenin'tome.

"That combination of sire power, performance and pedigree is extremely rare factor in his impeccable conformation and athletic physique, his 'quality' and action and you can understand why we're so thrilled to have him."

Phoenix Thoroughbreds, who have been involved in large thoroughbred investments globally, view Invader as a commercially appealing investment.

"We have observed the Australian market for quite some time now, and it is evident that both from the point of breeding to race and breeding commercially, precocity and speed is paramount," Phoenix Thoroughbreds CEO Amer Abdul Aziz said.

"The opportunity to partner with Aquis to launch the stud career of Invader, who was the Champion two-year-old colt of his generation and also the best ever two-year-old by Snitzel to date, was an offer we could not refuse.

"He is a stallion that we will support with our best southern hemisphere mares, and also in the sales ring when the time comes to purchase his progeny."

Invader's trainers Peter and Paul Snowden

and his rider Hugh Bowman are no less admiring of Snitzel's most precocious, fastest and best two-year-old son.

"He has been there for everything from the Breeders' Plate and the Magic Millions and is still here now, winning a Group One," Snowden said after Invader's Sires' Produce Stakes win.

Snowden still believes Invader might have been unlucky to not have won the Golden Slipper, after having been beaten only a fast-diminishing nose in the Todman

"He'd qualified for the Slipper and we thought he'd be in it up to his ears. Then he got a foot abscess the day before the race and had to be scratched on race morning. I really think, the way he ran away from Menari in both the Todman and the Sires, that he'd have gone close to winning the Slipper," he said.

Adding credence to that belief is the fact that in the Sires Produce Stakes, Invader easily beat all Frolic, Menari and Tulip, who were respectively second, third and fourth across the line in the Golden Slipper.

Hugh Bowman called Invader "...the best colt of his era, as a two-year-old, so that makes it very exciting for connections; and to be a part of his ride is very special to me."

A service fee for Invader will be announced in the coming months along with the full Aquis Stallion roster for 2018. Inspections will be held at stable block H and I. ■

## J D Brown, Elbow Valley, Qld

Jack Brown has been involved with horses all his life. He first started out in harness racing in NSW where, alongside his brother, Bill, Jack was fortunate enough to work with one of the all-time great trainers, Kevin Newman.

Fast forward a few years and Jack has turned his attention to thoroughbreds and breeding in particular.

"I read as much as I can on nicks and blood line crosses," Jack said.

One cross he's identified is Rothesay over Show a Heart, which is represented in Lot 75. This cross has produced 13 starters for 11 winners.

This Rothesay colt comes from a good family of consistent winners. His three-quarter-brother is Legal Procedure, who is currently Rothesay's leading winner to date with nine.

"He is well grown, developed and has a great attitude. He takes everything in his stride," Jack said.

Lot 219, the Falvelon filly, comes from a family line that always seems to produce a very good horse, with Capitalist being the

latest Golden Slipper and Magic Millions winner. She is a beautiful well-balanced and very athletic filly who is bred for speed.

Although this is the first time Jack has consigned a draft of yearlings for sale himself, he has bred and raced quite a few in the past few years.

"I have always found the earlier you start to handle young horses the quicker they learn. I give them one week of work on the walker and stabling every month from nine months of age," Jack said.

"They really enjoy the handling, grooming and a good hosing down."

Jack has 160 acres in the Elbow Valley, just outside Warwick with an 1100m track, walker, sand roll, swimming pool, and lots of yards to rotate horses around.

There he currently has seven mares, five of them in foal. One of these mares is in foal to Dawn Approach.

Jack took a punt on the young Darely stallion after listening to James Cummings as he paraded last year. James said his progeny

**I HAVE ALWAYS  
FOUND THE  
EARLIER YOU  
START TO HANDLE  
YOUNG HORSES  
THE QUICKER THEY  
LEARN.**

were showing great promise and he could potentially have a Golden Slipper horse coming through his stable. That horse is Gongs, who has won her first two starts and looks a live chance in the Golden Slipper at this early stage.

Jack's other mares are in foal to Sepoy, Dawn Approach, Spill The Beans, Domesday, Denman. He has some nice Denman, Sidestep and Love Conquers All foals on the ground as well.

## Eureka Stud, Cambooya, Qld

In the past Queensland's Magic Millions March yearling sale for home-state horses has been quite a gold mine for many.

The sale has shown it can produce some of Australia's best, most loved racehorses including Group 1 champs Spirit of Boom (\$90,000), Temple of Boom (\$45,000), and Buffering (\$21,000).

Coming up on March 19-20, this year the auction will catch the nation's eye and literally be full of "Spirit".

First season sire sensation Spirit of Boom, runaway leader on Australia's new sire list with numbers of first crop two-year-old winners, will have no less than 44 lots catalogued with his home-base, Eureka Stud, offering 30 of them.

Proven as a source of Spirits, last year's sale sold no less than four of his individual two-year-old winners so far: Plumaro and

Hold'n My Own (by Eureka who offer a full-sister and a full-brother respectively this year), Legal Ties (Myalla Lodge to sell a full-sister) and Spirit's Pride sold by Clear Mountain Fairview.

Let's not forget this sale offers purchases a 33 per cent discount on the nomination fee for the \$11 million Magic Millions Race Series over six states of Australia, and Spirit of Boom had four of his runners qualify for the January Gold Coast 2YO Classic with Outback Barbie and Ef Troop finishing third and fourth. Both were sold by Eureka at the January Magic Millions.

In March, Eureka will also offer a full-brother to Red Dazzler - two-year-old speed machine Pardoe, now in Hong Kong, as well as lots by sires including Epaulette, Whittington, Real Saga, Uncle Mo and Love Conquers All.

Spirits are high for this sale's success.

Progeny by Spirit of Boom enticed spirited bidding in January on the Gold Coast, with a top price of \$500,000 in Book 1 while Book 2 sold six by Spirit of Boom to average \$144,666.

## Alexia Fraser Bloodstock, Warwick, Qld

In 2016 Alexia Fraser consigned her first yearling sale draft at the Magic Millions QTIS Sale, which was the start of her new business venture Alexia Fraser Bloodstock.

"The support from well respected thoroughbred breeders and bloodstock agents Mary Lee Trivett (Banchory Thoroughbreds), Stuart Ramasey (Turrunga Farm), Evan Hartley, Paul Beamish and Gerry Harvey has allowed me to prepare and present quality horses for the major sales including Magic Millions National Sale, Magic Millions Ready to Run Sale & Magic Millions Yearling Sale," Alexia said.

Operating out of Warwick on Queensland's Darling Downs, Alexia's property boasts 80 acres of quality land on the Condamine River right next door to one of Queensland's leading Thoroughbred nurseries, Lyndhurst Stud Farm.

The property boasts safe and well-designed yearling facilities including large rubber lined stables and day yards and small turnout paddocks.

With both her parents having an interest in horses and competing in a range of different disciplines, it was only natural Alexia Fraser developed a keen interest in horses from a

young age.

"I started at pony club and then progressed into showing horses," she said.

"Over the years I have retrained and campaigned a number of retired race horses at the highest level. I developed a love for the thoroughbreds and thoroughbred racing from my grandfather, who raced a number of horses in Queensland."

Alexia spent many years working at all the major yearling sales for different stud farms, including seven years with Stuart Ramasey, Turrunga Farm, Lyndhurst Stud Farm, Robyn Wise, Newhaven Park and Bhima. She also worked on farm at Lyndhurst Stud and most recently spent two years at Hoss & Gillian Heinrichs Darlington Stud under manager Chris Fels.

"During and after my schooling I studied vet nursing and a Bachelor of Business. In 2016 I decided to follow my passion of yearling preparation and started my own business, Alexia Fraser Bloodstock," she said.

"At the 2016 National Sale I sold the dam of the Virginian Redwood Forest for \$650,000 for Turrunga Farm. I also fielded a strong weanling draft selling a Dundeel colt for \$90,000.

"At this year's Magic Millions I prepared a selection of six colts for Gerry Harvey's Baramul Stud. This year's QTIS draft is a lovely selection of yearlings."

It includes yearlings from the first crop of Better Than Ready, who broke the ill-fated Northern Meteor's 1200m track record at Randwick and Sizzling who topped last year's Magic Millions Gold Coast March Yearling Sale when his colt was sold for \$160,000 to Garry Moore.

Other yearlings in Alexia Fraser's draft include a colt and filly by Bel Spirit; the filly being out of a winning three-quarter-sister to Australian Derby winner Jon Snow, plus well known Queensland-based stallions Falvelon, Real Saga and Rothersay.

Interestingly, Alexia will present two yearlings from the family of boom Godolphin galloper, Alizee and Astern. Alizee looks set for a stellar autumn campaign after capturing the Flight Stakes and placing the in 1000 Guineas in the Spring.

Recently, Alexia ventured into thoroughbred spelling and agistment, but will still continue to prepare yearlings and other bloodstock for sale at a high standard.

Alexia Fraser Bloodstock's yearlings are available for inspection in stable block F. ■

# Gleeson Thoroughbred Connections, Chinchilla, Qld

The Gleeson family

Gleeson Thoroughbred Connections presents a quality draft of six yearlings at the 2018 Magic Millions QTIS Sale and has a range of horses to suit all buyers.

The first yearling to go through the ring is Lot 91, a bay colt by Sizzling out of Mystifying (Last Tycoon) – a strong, yet athletic individual. This horse hails from one of the best families in the studbook, the Denise's Joy family. This colt is a half-brother to the stakes-placed performer, Kiloton and four of the mare's progeny have won in excess of \$100,000 in prizemoney.

Next, Lot 119, a chestnut filly by, Real Saga, out of the Commands mare, Picture Play. Real Saga was a pre-Christmas two-year-old who had a sensational turn of foot and defeated some of the best horses of his generation. This filly is a half-sister to the very talented Sinister Prince who broke a Doomben class record previously set by Group 1 winner, Woorim. Another half-sister, Piclesia, won nine races and nearly \$150,000 in prizemoney.

The third yearling to go up for auction is Lot 127, who is a filly by the hottest stallion in the country at the moment, Spirit Of Boom, out of the Showhog mare, Polly Waffle. This mare has produced four-time winner Psycho Said So and the smart Rockhampton two-year-old colt, Hot Chocolate.

Next up is Lot 266, a chestnut filly by the Northern Meteor stallion, Eurozone. This filly is out of the city-placed Stratum mare Be Alle Belle and is her first foal. This is another great family that includes a previous Champion two-year-old filly in Australia and Golden Slipper winner, Belle Du Jour. She's a smart looking filly.

Lot 292 is next. A brown filly by Olympic Glory out of the Bluebird mare, Charming Bird. This cross makes this filly closely related to the Arrowfield sprinter, Battlefield. Olympic Glory was a four-time Group One-winning European sprinter-miler and his progeny proved to be very popular at the January Magic Millions Sale this year. This filly is the only Olympic Glory in the sale and she is sure to attract plenty of attention.

Our final offering is Lot 309, a robust filly by Bel Esprit out of the Red Ransom mare, Crimson Belle. This filly is a powerful individual and looks as if she will be very precocious. She is a half-sister to Rebel Saga as recent first start 3YO metropolitan winner and is also closely related to the talented Gerald Ryan-trained and record-breaking sprinter, Deploy.

Photos will be available on the Magic Millions website, and buyers, guests and visitors are invited to inspect the yearlings from Thursday, March 15, 2018, at Stable Block S at the Gold Coast Sales Complex. ■

**THE THIRD YEARLING TO GO UP FOR AUCTION IS LOT 127, WHO IS A FILLY BY THE HOTTEST STALLION IN THE COUNTRY AT THE MOMENT, SPIRIT OF BOOM, OUT OF THE SHOWHOG MARE, POLLY WAFFLE.**

## Kalinga Valley Park, Nambour, Qld

Jodie Marr of Kalinga Valley Park, located in Nambour in the Sunshine Coast Hinterland, will present four yearlings for sale at this year's Magic Millions Gold Coast March Yearling Sale.

The first lot through is Lot 17, a brown filly by first season sire, Better Than Ready and only the second foal from the winning Tabkir mare, Kalinga Secret. This filly is a half-sister to Sambuca Shot (by Clang) who broke the class record at the Sunshine Coast and was a six-time winner of in excess of \$150,000 in prizemoney.

She is also from the family of Group 1 Queensland Oaks and Port Macquarie Cup winner, Vitesse Dane, who interestingly won twice as a two-year-old before also placing in the Queensland Derby at three.

Lot 161 is a bay colt, again by Better Than Ready out of the winning Semipalatinsk mare Semisyn. He is a half-brother to a winner and from the family of classic New Zealand Group 1 winners Keepa Cruisin; winner of the Levin Classic and Seachange; who was crowned New Zealand Horse of the Year in

2007 and 2008 and is the dam of stakes placed Divan.

The third lot through the sale ring for Kalinga Valley Park is Lot 223, a full sister to the progressive filly, Vital Love by Love Conquers All. This filly hails from a winning family that includes Squamosa. Her first three dams have left 18 to race for 15 winners including Phered, winner of the Listed Heatherlie Handicap at Caulfield

Lot 249 is a grey filly by The Factor.

She really is something special, being well grown with attitude and confidence. Her half-brother won his first race start in the Pallarenda Stakes with style and this filly is showing she has what it takes to match that and then some. With a top nature and easy to handle, she is sure to be a winner in any stable being by one of the fastest horses to stand at stud in Australia.

Kalinga Valley Park's yearlings are available for inspection in stable block I. ■

# Noble Bend Farm, Gowrie Junction, Qld

After studying Horse Business Management at Marcus Oldham College, and with 20 years' experience working with thoroughbreds including working for some of Queensland's leading thoroughbred studs and race stables, Nicole Williams will be bringing yearlings to the 2018 Magic Millions Gold Coast Yearling Sale under the Noble

Noble Bend Farm sold this Rothesay x All Saints Girl colt at last year's March Sale

Bend banner.

The 2018 yearling draft includes Lot 286, a Rubick x Carmen Over Baby filly from the family of Umaquest and Yattarna, who is an early running type with excellent confirmation and is exceptionally trainable.

"If she doesn't run well I will be very surprised," Nicole said.

Lot 301 is a Real Saga x Cooper's Girl colt that Nicole describes as a machine with an impressive black-type pedigree.

Nicole branched out into her own business to spell, breed, prepare and sell her own and client's thoroughbreds. In the past this list has included Metropolitan winner Red Hot Miss, who was bred and retained to race; Spelled Weetwood Cup winner Choice Bro; and third placer Pillar Of Creation.

Nicole has worked with some of the best horsemen and women in the business. One of these is Glenlogan Park manager Steve Morley, who said he had known Nicole for the best part of 20 years.

"I would have no hesitation in recommending her as a very dedicated and competent horsewoman," he said.

"She has wonderful attention to detail and the horses in her care are always given the best of everything. Noble Bend is certainly a farm you can send horses to with confidence."

You can inspect Noble Bend's yearlings in Stable L 20 - 22 and M 3 - 7. ■

## Covered from the beginning

The thunderous roar echoes in your ears. The chants and cheers of the immediate crowd surrounds you. Your heart soars as your majestic beast gallops across the finish line in first place. As it all begins to sink in, you reminisce about all the hours of hard work spent leading up to this moment, all beginning with the very fall of the hammer that sealed your future.

The sales are an exciting time for all and hold endless possibilities. Whether you're an investor, trainer, breeder or all-round horse lover, you'll want to give all your animals the best care possible and make sure you can look after them in their times of need, from the moment the hammer falls.

On hand at the sales is Ron Fitton, of Fitton Insurance Brokers, specialists in Bloodstock Insurance.

"We at Fitton's know firsthand that you need to have your investments covered," Ron said.

Growing up on the Darling Downs on his family's stud property, Ron has had hands on experience preparing yearlings for the sales, so he knows the unpredictable nature of

horses. With the Fitton Insurance Team lead by Senior Bloodstock Insurance broker Jo-Anna Noonan, Fitton Insurance can advise on the best insurance options to cover intended purchases at the sales.

The team at Fitton really know how to look after their clients. Wally Gleeson of Gleeson Thoroughbred Connections Pty. Ltd. recently commented, "Thoroughbred insurance is very important to our business and our broker Fitton Insurance really understand industry needs."

"Our recent substantial claim was handled exceptionally well and in a professional manner, without fuss, and immediate reimbursement. Their advice and timely communication are a hallmark of their business and reflects their long experience in Equine Insurance," he said.

Over the years Fitton Insurance has continued to cover for all risk mortality and theft, lifesaving surgical fees, as well as transit.

"At Fitton's we pride ourselves on having a long-standing connection with our clients, servicing up to three generations of horse

owners," Ron said.

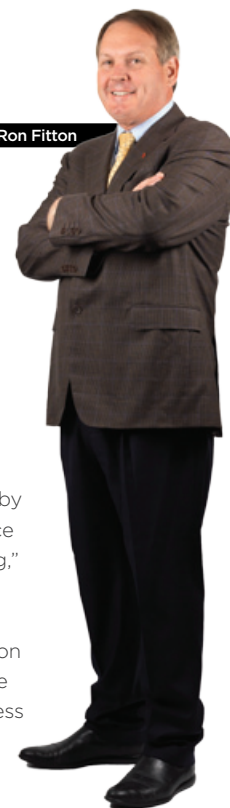

As any horse owner knows, accidents and illnesses can strike at any time.

"There's nothing more heartbreaking when tragedy strikes and nothing more rewarding than when owners are saved horrendous costs by having the right insurance cover from the beginning," Jo-Anna said.

With you all the way through the process, Fitton Insurance has an effective claim management process that takes the hassle out of making a claim.

"Save time and money with Fitton's, knowing that your future champion is insured with the right policy, so that you can focus on the enjoyable side of racing," Ron said. ■

## Raheen Stud, Darling Downs, Qld

There's a very good reason why Raheen Stud is a vendor for "all seasons".

A leading seller in Queensland for decades, Raheen has a well-won reputation for producing quality graduates, which include recent Hong Kong Group 1 winner, Seasons Bloom.

Winner of the Stewards' Cup last month and more than \$3.1 million in prizemoney, Seasons Bloom was bred, foaled, raised and eventually sold by Raheen to astute pin hookers, Ampulla Lodge.

Desleigh Forster's Too Good To Refuse also first saw the light of day at Raheen and was offered at the March Yearling Sale before going on to Black Type success in Brisbane and nearly \$500,000 in stakes.

Buyers will have the opportunity to snare another topline performer at the 2018 Gold Coast March Yearling Sale from March 19-20 where Raheen Stud will consign 24 likely youngsters, including an even dozen with Queensland's Champion First Season Sire, Golden Archer.

After getting off to a flying start last season, Golden Archer isn't resting on his laurels and is

currently Queensland's leading Second Season Sire. It gets even better when you take into account his overseas tally where Whistling Win – already a winner in 2018 – is one of Singapore's most promising youngsters.

At the Gold Coast, Raheen will offer a Golden Archer colt from Kamadiva (Lot 18), a full brother to Bryan and Daniel Guy's Doomben winner, Diomedes, while the Golden Archer from Lonhro mare, Vital – a full sister to city-winning two-year-old, Lady Lark – will head into the ring as Lot 222.

The Raheen Stud draft also includes youngsters by Golden Archer's successor as Queensland's leading First Season Sire in Spirit of Boom, who has two in the draft, along with yearlings by Rubick, Nicconi, Show a Heart, Rothersey and Jet Spur, plus the first crop progeny of exciting young sires Sidestep and Better Than Ready.

"The Gold Coast Yearling Sale in March has always been a happy hunting ground for the stud," Raheen's Basil Nolan points out.

"Apart from a host of successful graduates from the farm, the auction itself has really

found its niche in the Australian sales calendar as buyers know it's a place they can find quality, QTIS-qualified youngsters at reasonable prices.

"With prizemoney increasing at an amazing rate in Australia – up 80 per cent in the past 10 years – and racehorse ownership never more accessible than it is right now, we're anticipating it will be a busy time at Barn D!" **□**

# Stanley River Thoroughbreds, Woodford, Qld

In recent years Stanley River Thoroughbreds has become a great supporter of racing in Queensland. Owned by brothers Wayne and David Comerford, the property is located in Woodford and is now a regular raceday sponsor of the Sunshine Coast Turf club and other events in South East Queensland such as the Racing Queensland Awards, where in 2017 the Stanley River Thoroughbreds Queensland 4YO & Older Horse of the Year was presented to Most Important.

Wayne, who is always looking to improve their broodmare band, will present two colts for sale at the Magic Millions Gold Coast March Yearling Sale.

## LOT 50 BROWN COLT BY ROTHESAY X MAJI MAJI

This colt, from the unraced General Nediym mare Maji Maji and by the reigning Queensland Stallion of the Year, Rothesay, is bred on the same cross as Jacksay; who won two of this three two-year-old starts for Tony McEvoy before being sold to race in Hong Kong.

Although his dam, Maji Maji, was unraced, this colt's second dam (Hitapotomoss) and third dam (Hit It Star) were both stakes winners and are now producing winners in the breeding barn.

Hitapotomoss has left three to race for three winners, while Hit It Star has had seven

to the track with six of them winning.

Desleigh Forster currently has the two-year-old full brother in work at Eagle Farm while Matthew Smith also has two older half-sisters by Myboycharlie in his stables at Warwick Farm.

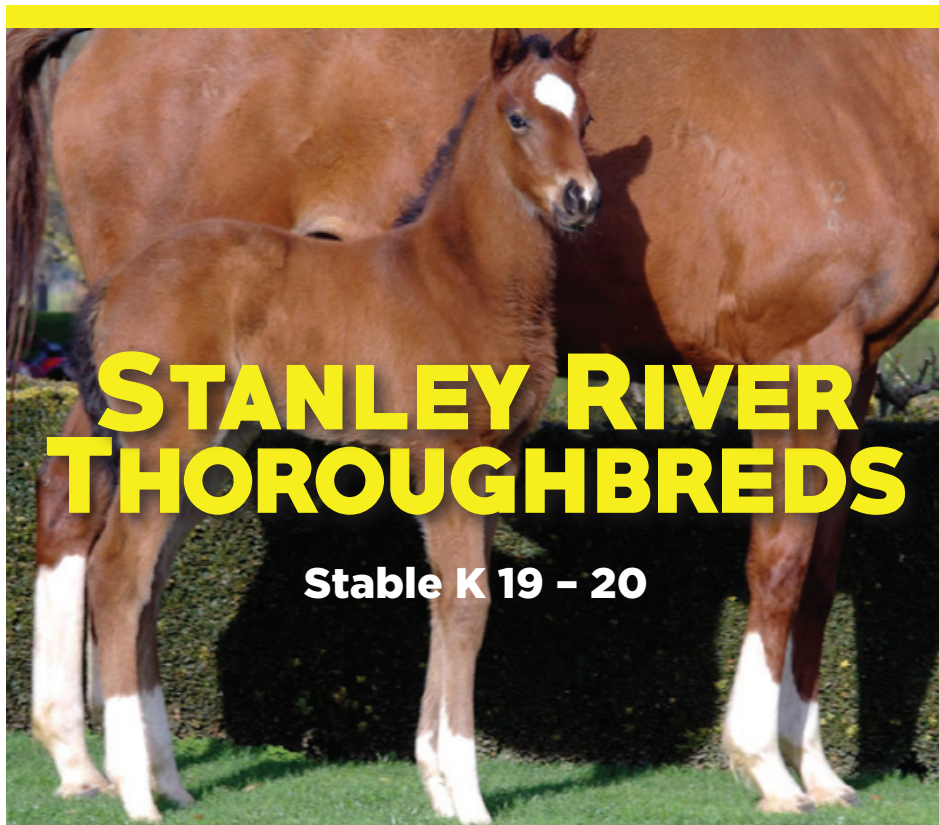

## LOT 144 BAY COLT BY RED ELEMENT X RHAPSODIC

This is the first foal from the winning Iglesia mare, Rhapsodic, by Red Ransom's full brother to Typhoon Tracey and Kylikwong, Red Element, giving this colt a double cross of the Champion stallion, Last Tycoon.

This colt's third dam is Heavenly Body; a winner of the Group 1 South Australian Oaks and blood-sister to La Banca, dam of Moreovr. At stud Heavenly Body has produced eight winners including Midas King; four wins and \$480,000, Grand Start; four wins and \$280,000 and Choir.

Both of Stanley River Thoroughbreds yearlings are available for inspection in stable block K. ■

## Tamac Stud Farm, Walcha, NSW

Mark Taylor of Tamac Stud located at Walcha, New South Wales, returns to the Gold Coast for this year's Magic Millions Gold Coast Yearling Sale quite optimistic.

In 2016 Tamac Stud sold a flashy chestnut colt by Rothesay, catalogued as Lot 307 for \$50,000 to Debbie Hansen. Now trained by Darryl, this colt, Bring It Home Pop, has banked \$351,700 in prizemoney including in excess of \$100,000 in QTIS bonuses.

After completing his two-year-old winter campaign with a win ahead of the promising Shogun Sun, Bring It Home Pop returned with a focus on the lucrative summer three-year-old races. He defeated another of Queensland's top performed three-year-olds in Saint Patricks Day first up before beating all bar Pierata at Doomben in December.

One year earlier, at the 2015 Magic Millions National Sale, Tamac Stud returned home with Lot 1551, a Rothesay colt out of the Res Judicata mare, Judicious Girl. Now a four-year-old, Invicta has won five times from just 18 starts including a victory in the Cessnock Cup in late 2017.

These are just two standout performers

by Rothesay. The magnificent looking son of sire sensation, Fastnet Rock is really a sire on the rise. He is already the sire of stakes performers Too Good To Refuse, In His Stride and Havasay who is out of a Show A Heart mare, like Lot 375 that Tamac Stud will present at this years sale.

Other notable performers for Rothesay include Prioritise, Oberland, Legal Procedure and Natural Black.

It's no surprise really that Rothesay was crowned Australia's Champion First Season Sire by winners. A quick look through his pedigree page reveals Group 1 winning two-year-olds, Sepoy and Guelph, plus the recent stakes winner, Eckstein.

Rothesay was also crowned Champion Sire in Queensland during the 2016/17 season; a feat he achieved with only three crops of racing age, and is currently the leading Queensland Sire by Winners so his yearlings are sure to be in high demand at this years Magic Millions Gold Coast Yearling Sale.

Mark Taylor, who in total has four yearlings by Rothesay and a filly by Show A Heart going through the sale ring in March said,

"Rothesay is versatile stallion. He is producing fast, early running two-year-olds that mature and train on into their older years."

"They really are perfect horses for QTIS. Bring It Home Pop is a testament to this and, like many of the other Rothesay's, we expect him to get better with age too."

Tamac Studs yearlings are available for inspection in stable block S-R. ■

**AFTER COMPLETING HIS TWO-YEAR-OLD WINTER CAMPAIGN WITH A WIN AHEAD OF THE PROMISING SHOGUN SUN, BRING IT HOME POP RETURNED WITH A FOCUS ON THE LUCRATIVE SUMMER THREE-YEAR-OLD RACES.**

Tamac Stud sold Bring It Home Pop at the 2016 March QTIS Yearling Sale. He's now won in excess of \$350,000 prizemoney

## Tipuana Farms, Boonah, Qld

Tipuana Farms is a boutique thoroughbred breeding farm, owned and managed by Jason Jenkins and Jess McDonald, which has been producing quality yearlings for more than a decade.

The farm comprises 120 acres located in a fertile Scenic Rim valley, 20km south of Boonah. Tipuana Farms is in a picturesque valley with rich alluvial creek flats surrounded by hill country, ideal for the growth and development of young horses.

The farm produces not only good quality thoroughbreds, but also breeds Angus cattle, and grows its own lucerne hay.

Tipuana Farms has presented yearlings to Magic Millions sales around Australia for a number of years, consigned to a range of agents. Many high class racehorses have been bred on the farm, including Dual Chamber (represented by Lot 326), Vis a Tergo (represented by Lot 221), My Son - winner of nine races and more than \$400,000 in Singapore, Pina Colarda - stakes-placed, winner of five races, and Blazing Hearts - stakes-placed, winner of

seven races, just to name a few.

The farm has produced winners in Australia, New Zealand, South Africa, Singapore, and Malaysia. Throughout the years we have retained several quality fillies with the aim of developing a quality home-bred broodmare band, which will pass on their attributes to their foals, and provide success and longevity on the racetrack. This year Jess and Jason will sell under the Tipuana Farms banner for the first time, focusing on individualised education, exercise and feeding regimes.

A quality draft of yearlings and inspections are encouraged either on the farm prior to the sale, or at the sales complex in March. Tipuana Farms presents the following lots:

- LOT 116: Rothesay/Pekan Flight filly. From a solid producer of winners, including My Son, Hearts n diamonds. Seven to race for five winners.
- LOT 221: Better Than Ready/Vis A Tergo colt. Vis a Tergo winner of five races in Brisbane, four of those back-to-back wins. Retired early due to injury before

reaching full potential. First foal currently in training.

- LOT 326: Better Than Ready/Dual Chamber. Dual Chamber six wins, two listed wins, winner of more than \$400,000. Her first two foals have been retained by the farm and are currently both in training, showing great promise so far.
- LOT 331: Real Saga/EI Of A Time. Winner of five races, including two Sydney wins. This is her second foal.
- LOT 335: Better Than Ready/Epic Flight. Placed at three, out of winning producing mare Pekan Flight, career cut short due to injury. This is her first foal.

## Yarramalong Park, Kalbar, Qld

Yarramalong Park will present outstanding athletes by the new speed sire, Better Than Ready, who broke Northern Meteor's Randwick 1200m course record, at the 2018 March Sales.

Yarramalong Park has 12 Better Than Ready yearlings, including three colts and nine fillies selected for this sale, and will also be selling a further five in Melbourne and Adelaide in March. These, combined with weanlings and yearlings already sold, will provide a national base for the next first season sire sensation.

After purchasing and syndicating Better Than Ready to stand at Lyndhurst Stud, Richard Foster selected 37 Yarramalong

mares to visit Better Than Ready in his first season and invested in many new young mares to ensure the stallion's success. He has served his biggest book of 139 mares in his third season, which is testament to the quality of his offspring. He has 39 yearlings catalogued for the March Sale alone.

The Yarramalong Better Than Ready yearlings are from mares by Danehill, Choisir, Exceed and Excel, Hussonet, Manhattan Rain, Canny Lad, Royal Academy, Testa Rossa, Fusaichi Pegasus and Faltaat. There is also a Real Saga sister to Umawinner and a Shamus Award half-sister to four winners.

At the recent Magic Millions sale, seven

Better Than Ready yearlings sold for an average of \$50,000 and went to excellent trainers in four states while another went to New Zealand. Comment around the sale grounds was extremely positive, with many good judges noting they were among the most impressive first season types on the sale grounds. The March Sale draft is certain to draw similar comment and they are bound to shine in QTIS racing.

Better Than Ready is a dominant sire on type and colour. They are all brown or bay. The Yarramalong Park yearlings are very athletic, great movers and naturally correct.

Be sure to inspect the exceptional draft at the March sales at stable block H. ■
