- 37.1 For the information of Purchasers, the Auctioneer and the Promoter have provided certain information on the horses catalogued for Sale. Any information is obviously subject to constant change and revision and the Auctioneer and the Promoter, their subsidiaries, officers and agents for themselves and for those for whom they act, provide all such information without responsibility and give no guarantee nor make any representations whatsoever as to its accuracy.
- 37.2 Notwithstanding Condition 26, all persons who attend the Sale do so entirely at their own risk and neither Magic Millions Sales Pty Limited (ABN 54 078 396 317) nor Magic Millions Promotions Pty Limited (ABN 41 088 197 200) nor their subsidiaries, officers or agents for themselves and for those whom they act, assume or accept any responsibility or liability of whatever nature for any injury or damage whatsoever which may occur to any person or property.

## 38. ANABOLIC ANDROGENIC STEROIDS

- 38.1 The Australian Racing Board ("ARB") introduced new Rules completely banning the use of anabolic androgenic steroids in thoroughbred horses effective from 1 May 2014. The Australian Rules of Racing can be viewed at the Racing Australia website <http://racingaustralia.horse> and are subject to change by Racing Australia without notice.
- 38.2 The Vendor irrevocably authorises the Selling Agent and its veterinary representatives to take a blood sample from any Lot, that is not catalogued in the Sale as breeding stock (excluding weanlings and foals at foot), following the sale of such Lot.
- 38.3 The Selling Agent will, if requested by the Purchaser ticking the appropriate box on the Acknowledgement of Purchase, take or have its veterinary representative take a blood sample from any Lot that is not catalogued in the Sale as breeding stock (excluding weanlings and foals at foot), at the cost of the Purchaser, and the Selling Agent will forward the blood sample to an official racing laboratory (as defined in the Australian Rules of Racing) selected by the Selling Agent.
- 38.4 A positive blood sample means a sample having detected in it an anabolic androgenic steroid, as defined as prohibited in the Australian Rules of Racing (noting the relevant exceptions as listed in AR178C(2)).
- 38.5 Should the blood sample prove positive the sale and purchase will automatically be cancelled and neither the Vendor nor the Purchaser will have a claim against the other nor the Selling Agent nor the Promoter.
- 38.6 The Purchaser agrees to pay to the Selling Agent five hundred dollars (\$500.00) plus GST to recover direct costs and administration fees in regard to the taking and testing of the blood sample.
- 38.7 If the result is positive, the Vendor will pay on demand all costs incurred by the Selling Agent in returning the Lot the subject of the blood sample / testing to the Vendor and all other reasonable costs and disbursements incurred by the Selling Agent including, but not limited to, the commission that would otherwise be payable by the Vendor to the Selling Agent and the Promoter had the sale and purchase proceeded.
- 38.8 Should the blood sample prove positive to an anabolic androgenic steroid that Lot, and any person who is a party to the administration, will be under the jurisdiction of the Australian Rules of Racing AR15D and AR178H. The Selling Agent is obliged to disclose all information about the positive blood sample to the relevant Principal Racing Authority ("PRA").
- 38.9 Should the blood sample prove negative, the Purchaser will have no claim against the Selling Agent nor the Promoter, and is not to be considered a guarantee of a negative result from the sampling of the Lot for anabolic androgenic steroids at any time subsequent to the Sale.

# ISSUE OF PASS OUTS & REGISTRAR OF RACEHORSES

## ISSUE OF PASS OUTS

Horses will not be released from the sales grounds unless the acknowledgement of purchase docket is presented at the sales day office by the purchaser or their agent (presentation of dockets by float drivers will not be accepted). It is regarded as a serious offence for any person to handle or move a horse without first having obtained a Pass Out slip.

## NOTICE RE: HORSE TRANSPORT

The Auctioneer would appreciate the co-operation of all Purchasers in arranging the removal of horses purchased immediately after the Sale. Pass Out slips are available at the Sale Office and notice is given to all Transport Operators, that the Pass Out slips must be completed before delivery will be given. Should any horse be handled or moved without the Pass Out slip having first been issued, that person will be held responsible for any injury or loss that may arise.

Accredited members of the Auctioneer's Staff must be provided access to check identification of all horses at the Loading Ramps.

## REGISTRAR OF RACEHORSES

### NAMING OF HORSES

The Australian Rules of Racing make it compulsory for all horses to be registered and the Thoroughbred Identification Card issued prior to a horse trialling or being nominated for a race.

To prevent a last minute rush, please lodge the Document of Description and the application for registration as soon as possible.

### UNNAMED HORSE TRANSFER OF OWNERSHIP

In order to comply with Rules of Racing introduced by Racing Australia for all thoroughbred foals born in the 2016 season onwards, an official Racing Australia Unnamed Horse Transfer of Ownership form must be completed and submitted to the Registrar of Racehorses within four weeks of the sale date.

A purchaser will be provided with this document by email following the sale, stamped by Magic Millions as an Approved Auctioneer, on behalf of outgoing owners. It is the new owners' responsibility to complete (New Owner Details section) and submit this document along with the required payment to the Registrar of Racehorses.

# UPPER RESPIRATORY LARYNGOSCOPIC EVALUATIONS

1. Please refer to Condition 19 of the Conditions of Sale in the front of this catalogue.
2. The Purchaser may request at their cost a post sale upper respiratory laryngoscopic evaluation (excluding the trachea) of the lot (i.e. scoping).
3. The examination will be carried out on the Auctioneer's sales complex by a nominated and approved veterinary surgeon. Please note this examination must be conducted prior to the lot being removed from the Auctioneer's sales complex and within 24 (twenty-four) hours from the fall of the hammer.
4. Upon signing the Acknowledgement of Purchase slip for the purchase of the lot, the Purchaser will be asked in the sales auditorium whether or not he/she requires the lot to be scoped and to mark the Acknowledgement of Purchase slip accordingly. Arrangements will then be made for the scoping to take place.
5. The cost of scoping will be charged to the Purchaser's account and will be due for settlement along with the cost of the lot and any other charges.
6. The issue of Pass Out slips can be arranged prior to scoping, but will not be given to the consignee until scoping has been completed.
7. The scoping process will be under the control of the Scoping Supervisor who will be located in the sale office. Any enquiries regarding scoping should be directed to the Scoping Supervisor. The veterinary surgeons will report results of their examinations back to the Scoping Supervisor.
8. Should the lot fail the examination, both the Purchaser and Vendor will be notified. The Purchaser then has the right to give notice of termination of the sale and must confirm this either verbally or in writing to the Auctioneer within 48 (forty-eight) hours of the fall of the hammer. There is provision for arbitration by a panel of up to three (3) veterinary surgeons appointed by the Auctioneer. Please refer to Condition 19.5 in the Conditions of Sale.
9. Subject to the Conditions of Sale, the Auctioneer or the Vendor undertake no liability in respect of the lot during the scoping process or at any other time. Please refer to Condition 4 in the Conditions of Sale.

All enquiries regarding terms of payment should be directed to Claudette Luke of our Accounts Department (Telephone: {07} 5504 1202).

## AGENTS

We wish to point out to you, in your own interests, the position of a bidder at Auction who purchases on behalf of another party.

When the bidder discloses his/her Principal after purchase, we stress that unless the Auctioneer approves the agency arrangement prior to the auction, the highest bidder remains personally liable for the full purchase price and any liquidated damages which may be incurred pursuant to the Conditions Of Sale.

If the account is sent to the Principal, who defaults, then responsibility for payment remains with the person purchasing the Lot in the sale ring. In some cases Agents purchase horses with the later intention of finding a Principal. Before making purchases Agents should appreciate their liability for payment in the terms of the Conditions Of Sale. Terms of payment will be strictly enforced.

Where a Principal wishes to appoint an Agent prior to purchasing, an "Appointment Of Agent" form, as provided in this catalogue, should be submitted to and accepted by the Auctioneer prior to Sale.
