NOMINATIONS CLOSE FRIDAY 16 AUGUST 2024

Message from  
**BARRY BOWDITCH**

**MANAGING DIRECTOR,  
 MAGIC MILLIONS**

**On behalf of the entire Magic Millions team, we are excited to announce that entries are now open for the 2025 Magic Millions Yearling Sale Series.**

We invite your participation in the National Sale Series which offers you the greatest choice and opportunity for commercial success with your yearling crop.

We extend you our passion, expertise and achievements in the thoroughbred industry we live and breathe alongside you.

Results on the board matter. Our drive to provide the greatest suite of yearling sale options to the breeders of Australasia, saw the 2024 series deliver a sales gross of almost \$300 million across 2,335 yearlings sold to 1,124 individual buyers from 13 countries and every state and territory of Australia.

It would be our privilege to sell your yearlings in 2025. Our commitment is clear – we work for you and we don't take your support for granted.

We welcome you to be part of the greatest yearling sale in the Southern Hemisphere by catalogue size and gross, and we share with you the greatest advantage of selling your stock to the market first. Indeed the Gold Coast Yearling Sale is our flagship sale, synonymous with combining business with leisure in summer, located at one of the most glorious destinations in the world.

Timing really is everything. Our continual investment in innovation and the development of the annual The Star Gold Coast Magic Millions Carnival brings the thoroughbred world to the Gold Coast in January, creating the greatest diversity in buying bench at all levels of the market vying for the greatest collection of yearlings across Australasia.

Agents, trainers, syndicators and owners know they need to be at Magic Millions. The Gold Coast Yearling Sale is undeniably the greatest sales source for future stallions and blue hens.

We start our year on the Gold Coast and welcome your continued participation in Perth, Tasmania and Adelaide. Each sale in our series provides you with an opportunity to present to the market that best matches your yearling stock.

The success of the Yearling Sale Series is vitally important to breeders and equally as important to Magic Millions. Our team is here for you.

In addition to bringing our bloodstock, marketing, buyer recruitment and customer service prowess to the table, selling at the Magic Millions Yearling Sale Series provides you with the exclusive promotional benefit of the Magic Millions Race Series. With over \$20 million and 28 races programmed across six states annually for all ages, classes and distances across a horse's racing lifetime, the broad distribution of Magic Millions prizemoney is without equal. It is categorically the world's greatest and richest sales restricted race series.

Our bloodstock team looks forward to the opportunity to inspect your yearlings across Australia and New Zealand over the coming months. We invite you to contact any one of our skilled consultants based in Queensland, NSW, Victoria/Tasmania, South Australia, Western Australia and New Zealand to discuss how we can best assist you.

Thank you for your consideration of selling yearlings with Magic Millions in 2025.

Barry Bowditch, Managing Director.

“They used to say the Australian Open was the kicker for the year for Australia, but I think **Magic Millions is the start of the year in Australia.**”

Tom Magnier, Coolmore

“They’ve got the **best auctioneers in Australia** selling here!”

John Muir, Milburn Creek

“It’s a pleasure to do business with all the Magic Millions people, **they make it easy, so you want to do business with them. It’s a people’s business....** Whether you’re buying or selling, they make it very easy, they take the stress out of it.”

# \$20 Million Reasons

*To buy a Magic Millions yearling*

“The night racemeeting before Magic Millions’ super Saturday is another progressive step by Magic Millions to give people a great experience, create a situation where there can be great prizemoney dispersed. We’re fortunate enough to have a slot in the new Sunlight race and we’re already trying to work out which horse to put in there or whether we do a deal with someone – it creates a whole new level of intrigue to what’s a very exciting week already. And I’m also really excited about the night meeting for the National Sale – our partners in the colts we race, they want to be here and be amongst it, another wonderful event on the calendar.”

Henry Field, Newgate Farm

“The 2YO season is fundamentally based around the 2YO race in the first week of January – it’s such an important lead up for the Golden Slipper and when you think of Storm Boy being bought here and then winning that race and being sold for such a large sum to Coolmore! I mean you’ve got a new slot race, excellent million-dollar plus races for 3YOs, stayers – full spectrum is covered!”

William Johnson

“I think the Magic Millions Race Series has revolutionised the way that we program horses, we all want to get our 2YOs to the 2YO Classic every January and now we have the National race at the end of May, then there’s the Syndicate race, the 3YO Guineas, Magic Millions Maiden – there’s just so many options and so much great prizemoney here on the Gold Coast.”

Sally Williams, TFI

# World's Greatest & Richest Sales Restricted Race Series

There is nothing quite like having a runner in a Magic Millions race and even better taking the first place prize. The world's first and richest sales restricted race series delivers an incomparable money-can't-buy selling advantage.

With races programmed nationally for all ages, classes and distances across a horse's racing lifetime, the broad distribution of Magic Millions Race Series prizemoney is without equal.

Nomination is exclusive to graduates of the Magic Millions Yearling Sales Series.

MAGIC

“The turning point of this sale was about ten years ago... **suddenly we had million-dollar races for every age and sex.** We went from perhaps only nominating the really precocious horses for the race series to nominating everything and it was a business masterstroke from Magic Millions because they’ve almost turned it into a self-funded vehicle, the Race Series. **It’s brilliant and I, like everyone else, nominate everything now.** I always look at every horse here, such is the quality of the catalogue.”

Jamie Walter, Proven Thoroughbreds

“Magic Millions has always been on the front foot with their prizemoney, with the energy, with attracting new people, attracting syndicates, **attracting ladies in racing – it’s always just so forward thinking.** And we’ve seen that grow not just Magic Millions, but the industry as a whole.”

“There’s a good range, plus the quality gets better, because **people want to be racing horses out of this sale**. It (Gold Coast Yearling Sale) gives you a nice mature horse to take home, to get started on a bit earlier, whether they be racing in the two-year-old season in the Magic Millions or the Golden Slipper, owners want their horses racing at two.”

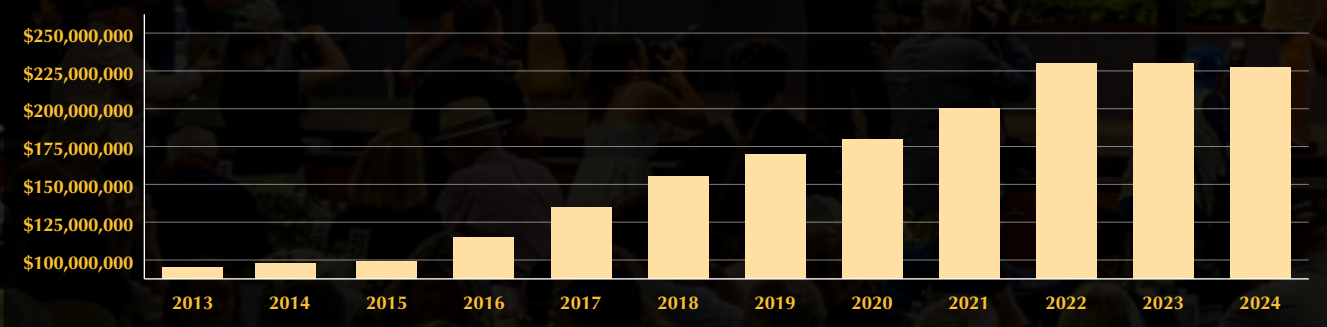

Chris Waller

“The January sale is very special, it’s something we think about and plan for a very long time, it’s been an amazing hunting ground for us and our clients. We’re very focussed on our 2YO racing and we’ve been very fortunate to have some wonderful 2YOs from that sale ring. We very much enjoy the whole experience in January – showjumping, polo, so many things happening – for anyone that loves horses, it’s just the best week!”

# A Consistent Performer and Buyers Favourite

“My favourite sale every year. If you do the work, value can be found in a very authentic sale. The people are friendly and the surrounding area of Glenelg is beautiful.”

Suman Hedge

“My favourite sale of the year - Warning, King of Hastings and King's Consort!!”

Anthony Freedman

“100% clearance rate is a fantastic result! The Adelaide Sale continues to deliver, bringing buyers from all over the country.”

David Toole, Kambula Stud

“We're thrilled to achieve 100% clearance, we brought 8 yearlings and all sold to 8 different buyers across the country and overseas. Magic Millions brings a diverse buying bench to the sale each year and we always look forward to attending.”

Olly Tait, Twin Hills Farm

“The Adelaide Sale is always fun. It's great to have a wonderful cross section of yearlings to choose from in my own backyard. I look forward to purchasing from the sale and am always impressed by the quality on the grounds to select from.”

Phillip Stokes

“We love the Adelaide Yearling Sale, it is our favourite sale in the country to attend. Last year we sold two yearlings for \$360,000 and \$300,000 each, along with achieving 90% clearance of our draft. Magic Millions does a fantastic job at bringing buyers from all over to this sale and we couldn't be happier.”

David Johnson, Rushton Park

“There was a plentiful selection of horses in Adelaide, many from well-renowned sires. The presentation of horses during the auction perfectly displayed their quality and finesse. We'll be sure to come back again next year!”
